

## COVID-19 Risk Assessment for re-opening Holmer Green Village Hall

HOLMER GREEN VILLAGE CENTRE  
The Common  
Holmer Green  
HP15 6XG

### Important Notes:

1. The COVID-19 Risk Assessment may need to be updated in the light of any new government advice that may be forthcoming.
2. This document should be read in conjunction with relevant legislation and guidance issued by government and local authorities.
3. This document is not intended to be comprehensive and Holmer Green Village Centre cannot be held responsible for any errors or omissions, factual or otherwise, arising from reliance on it. It is not a substitute for independent professional and/or legal advice.

The potential mitigations are in three categories colour coded as follows:

Red            **Actions based on Government advice (i.e. should be considered mandatory)**

Orange       **Actions that are strongly recommended**

Green         **Actions that you might like to consider**

### Abbreviations

PPE            Personal Protective Equipment, e.g. masks, gloves, aprons, etc.

PHE            Public Health England

Area or People at Risk	Risk identified	Actions to take to mitigate risk	Insert Date completed and any notes.
<p><b>Staff, contractors and volunteers –</b> Identify what work activity or situations might cause transmission of the virus and likelihood staff could be exposed</p>	<p>Cleaning surfaces infected by people carrying the virus. Disposing of rubbish containing tissues and cleaning cloths. Deep cleaning premises if someone falls ill with COVID-19 on the premises. Occasional Maintenance workers.</p>	<p><b>Stay at home guidance if unwell at entrance and in Village Centre. Staff/volunteers provided with protective overalls and plastic or rubber gloves. Contractors provide their own. Staff/volunteers advised to wash outer clothes after cleaning duties. Staff given PHE guidance and PPE for use in the event deep cleaning is required.</b></p>	<p>Staff/volunteers may need guidance as to cleaning. For example, cloths should be used on light switches and electrical appliances rather than spray disinfectants, rubberised and glued surfaces can become damaged by use of spray disinfectant too frequently. Electrical equipment should be wiped with a cloth and not sprayed.</p>
<p><b>Staff, contractors and volunteers–</b> think about who could be at risk and likelihood staff/volunteers could be exposed.</p>	<p>Staff/volunteers who are either extremely vulnerable or over 70. Staff or volunteers carrying out cleaning, caretaking or some internal maintenance tasks could be exposed if a person carrying the virus has entered the premises or falls ill.</p>	<p><b>Staff in the vulnerable category are advised not to attend work for the time being. Discuss situation with staff/volunteers over 70 to identify whether provision of protective clothing and cleaning surfaces before they work is sufficient to mitigate their risks, or whether they should cease such work for the time being.</b></p>	<p>Staff and volunteers will need to be warned immediately if someone is tested positive for COVID-19 who has been on the premises. Details of a person’s medical condition must be kept confidential, unless the employee/volunteer agrees it can be shared.</p>

<p><b>Staff, contractors and volunteers</b>– think about who could be at risk and likelihood staff/volunteers could be exposed.</p>	<p>Mental stress from handling the new situation.</p>	<p><b>Talk with staff, trustees and volunteers regularly to see if arrangements are working.</b></p>	<p>It is important people know they can raise concerns.</p>
<p><b>Car Park/paths/ exterior areas</b></p>	<p>Social distancing is not observed as people congregate before entering premises.          Parking area is too congested to allow social distancing.          People drop tissues.</p>	<p><b>Mark out 2metre waiting area outside all potential entrances with tape to encourage care when queueing to enter.          Caretaker asked to check area outside doors for rubbish which might be contaminated, e.g. tissues.          Wear plastic gloves and remove.</b></p>	<p>Transitory lapses in social distancing in outside areas are less risky, the main risk is likely to be where people congregate or for vulnerable people. Ordinary litter collection arrangements can remain in place. Provide plastic gloves.</p>

COVID-19 Risk Assessment for re-opening Holmer Green Village Hall

HOLMER GREEN VILLAGE CENTRE

Area or People at Risk	Risk identified	Actions to take to mitigate risk	Insert Date completed and any notes.
<b>Entrance hall</b>	Possible "pinch points" and busy areas where risk is social distancing is not observed in a confined area. Door handles, light switches in frequent use.	<b>Identify "pinch points" and busy areas. Consider marking out 2 metre spacing in entrance area. Create one- way system and provide signage. Door handles and light switches to be cleaned regularly. Hand sanitiser to be provided by Village Centre</b>	Hand sanitiser needs to be checked daily. Provide more bins, in entrance hall, each meeting room. Empty regularly.
<b>Main Hall</b>	Door handles, light switches, window catches, tables, chair backs and arms. Soft furnishings which cannot be readily cleaned between use. Projection equipment. Screen. Window curtains or blinds Commemorative photos, displays. Social distancing to be observed	<b>Door handles, light switches, window catches, tables, chairs and other equipment used to be cleaned by hirers before use or by hall cleaning staff. Social distancing guidance to be observed by hirers in arranging their activities. Hirers to be encouraged to wash hands regularly.</b>	Consider removing window curtains and any other items which are more difficult to clean and likely to be touched by the public. Provide hand sanitiser.

Area or People at Risk	Risk identified	Actions to take to mitigate risk	Insert Date completed and any notes.
<b>Upholstered seating</b>	Virus may remain on fabric. Cannot readily be cleaned between use. Frequent cleaning would damage fabric. Metal parts can be cleaned and are more likely to be touched when moving them, i.e. more frequently.	<b>Cushioned chairs with arms are reserved only for those who need them by reason of infirmity and who have been socially isolating themselves. Avoid anyone else touching them unless wearing plastic gloves. Clean metal/plastic parts regularly touched. Rotate use of upholstered chairs. Ask those moving them to wear plastic gloves.</b>	These chairs are only in the Chadwick Hall and are to be used by one specific group only
<b>Chadwick Hall</b>	Social distancing more difficult in smaller areas Door and window handles Light switches Tables, chair backs and arms.	<b>Recommend hirers hire larger meeting spaces. Surfaces and equipment to be cleaned by hirers before use or by hall caretaker.</b>	Consider closing, only hiring when main hall is not in use or as possible overflow for activities when more attend than expected.

<b>Kitchens</b>	Social distancing more difficult Door and window handles Light switches Working surfaces, sinks Cupboard/drawer handles. Fridge/freezer Crockery/cutlery Kettle/hot water boiler / Cooker/Microwave	<b>Hirers are asked to control numbers using kitchen to ensure social distancing, especially for those over 70. Hirers to clean all areas likely to be used before use, wash, dry and stow crockery and cutlery after use. Hirers to bring own tea towels. Hand sanitiser, soap and paper towels to be provided</b>	Cleaning materials to be made available in clearly identified location, eg a box on one of the kitchen surfaces, regularly checked and re-stocked as necessary. Consider closing kitchen if not required or restricting access.
<b>Store cupboards (caretaker etc)</b>	Social distancing not possible Door handles, light switch	<b>Public access unlikely to be required. Caretaker to decide frequency of cleaning.</b>	
<b>Storage Rooms (furniture /equipment)</b>	Social distancing more difficult Door handles in use. Equipment needing to be moved not normally in use	<b>Hirer to clean equipment required before use. Hirer to control accessing and stowing equipment to encourage social distancing.</b>	Consider whether re- arrangement or additional trolleys will facilitate social distancing.

<b>Toilets</b>	Social distancing difficult. Surfaces in frequent use = door handles, light switches, basins, toilet handles, seats etc. Baby changing and vanity surfaces, mirrors.	<b>Hirer to control numbers accessing toilets at one time, with attention to more vulnerable users.</b> <b>Hirer to clean all surfaces etc before public arrive unless caretaker has precleaned out of hours.</b> <b>Consider engaged/vacant signage and posters to encourage 20 second hand washing.</b>	Ensure soap, paper towels, tissues and toilet paper are regularly replenished, and hirer knows where to access for re-stocking if needed.
<b>Stage</b>	Curtains Social distancing Lighting and sound controls	<b>Consider tying back stage curtains (or removal) out of reach if hirers are likely to touch them.</b> <b>Hirer to control access and clean as required.</b>
